

Ohio Pharmacy Resident Conference

Abstract Information

All Pharmacy Residents are required to submit abstracts for presentation.

The body of the abstract should be organized as follows:

- Statement of the purpose
- Statement of methods used
- Summary of (preliminary) results to support conclusion
- Conclusions reached

The submission must also include:

- Two learning objectives (see tips on writing objectives)
- Two self-assessment/post-test questions with answers

All residents presenting an abstract must submit a curriculum vitae (CV) with their abstract.

ACPE Disclosure form, Abstract and your CV must be submitted via <http://raabecollegeofpharmacy.org/oprc/> by the deadline on www.ohioprc.com/OPRCresidents.html .

Remember that conference registration must also be submitted

Objectives must be specific and measurable, developed to specifically address the identified educational need, addressed by an active learning activity (case study, Q & A, etc) during the presentation, and covered by a learning assessment / post-test.

Please use the one or more of the following verbs when writing your objectives for your presentation: (use only these verbs).

Indicate	Relate	

ABSTRACT SUBMISSION INSTRUCTIONS

- A complete mailing address, phone, and email are required.
- Short specific titles are desirable. Do NOT use call caps.
- Authors should be listed with the **FIRST NAME FIRST, MIDDLE INITIAL, AND THE LAST NAME LAST**; list title and degrees. Place an asterisk by the presenter's name.
- No tables, graphs, multiple column text may be included in the abstract.
- Do not indent or justify paragraphs. Do not use carriage returns except between paragraphs (i.e. leave all line wrap decisions to the word processing program). Do not manually hyphenate words at the end of lines (unless the word is always hyphenated).
- Check spelling and punctuation carefully. Abstracts will be printed in the abstract book exactly as submitted.
- Total word count for the body of the abstract is 300 words. This does NOT include title, authors, learning objectives, or self-assessment / post-test questions.
- **Disclosure and eliminating bias. Your presentation should be free of any remarks that would show bias. You must place the disclosure information on your first slide. If you have no information to disclose you must specifically state that as well.**
 - For example, you may use: "The speaker has no actual or potential conflict of interest in relation to this presentation."
- **Failure to comply with abstract requirements may result in an abstract being rejected.**
